Windstar Cruises Makes It Even Easier to Relax with Complimentary "Travel is Better When You're All In" All-Inclusive Upgrade

Guests can enjoy complimentary drinks, gratuities and Wi-Fi on select voyages through March 31, 2026

MIAMI, FL, July 2, 2025 — Windstar Cruises is dialing up the ease and indulgence with its latest "Travel is Better When You're All In" add-on: a complimentary All-Inclusive upgrade on select voyages through March 31, 2026. Available to book through September 30, 2025, the new promotion lets guests leave the mental math at home and simply enjoy the moment — sipping, savoring, and staying connected, all included.

The All-Inclusive upgrade covers beverages, gratuities and Wi-Fi, valued at $99 per guest, per night — a significant value wrapped into Windstar's signature small-ship experience. This exceptional value is available on all Windstar yachts, from the newly transformed and luxurious all-suite Star Class to the classic masted Wind Class sailing vessels.

“The real luxury isn’t just what’s included — it’s what you don’t have to think about,” says Janet Bava, Chief Commercial Officer at Windstar Cruises. “On our perfectly sized yachts, with everything taken care of, you’re free to fully enjoy each destination, each moment, and each memory in the making.”

With this complimentary upgrade, guests can sip from select wine or craft cocktails, non-alcoholic beverages, and coffee without a second thought, share every breathtaking view with friends back home via complimentary WiFi, and enjoy the warm, personalized service Windstar is known for — all while exploring some of the world’s most captivating destinations by yacht. These inclusions join Windstar's already impressive lineup of complimentary amenities, such as dining at its various specialty restaurants, 24-hour room service, gym, and sauna access (available on Star Class ships), signature onboard celebrations, marina activities, plus exclusive Discovery Events on shore. This is travel the way it should be: relaxed, immersive, and 180 degrees from ordinary.

About Windstar Cruises:
For four decades, Windstar Cruises has been reimagining small-ship cruising with a distinctive blend of relaxed luxury and genuine connection to the world’s most captivating destinations. From its origins with motor sailing yachts tailored for upscale yet casual travel, Windstar has grown into a diverse fleet of three Star Class all-suite yachts and three Wind Class sailing yachts, offering voyages that are both intimate and inspiring. Two highly anticipated new yachts,

Star Seeker and Star Explorer, set to debut in December 2025 and 2026, expand the fleet to eight yachts accommodating 150-350 guests. Windstar's legendary Wind Class sailing yachts are also undergoing a meticulous two-phase redesign to be completed by 2027. Windstar yachts sail to more than 330 ports across Europe, the Caribbean, Costa Rica and the Panama Canal, Alaska, Canada and New England, Japan, the South Pacific, and Asia. Unlike most cruise lines, Windstar sails year-round in the Mediterranean and Tahiti, offering different destination experiences seasonally. Each Windstar voyage is designed to immerse guests in authentic cultural experiences, all while delivering the comfort, service, and style that define the Windstar difference.
