Where Can Travelers Sail with the Beyond Inclusive Offer?

The “Beyond Inclusive” offer spans hundreds of departures globally including Windstar’s most sought-after regions:

- [Europe](#): Windstar sails the region year-round, including Local Season Mediterranean voyages in Italy, Croatia, Spain, France and more during late fall, winter and early spring, when iconic ports are quieter and less crowded
- [Tahiti](#): With nearly 40 years of experience sailing in the destination, Windstar’s Tahiti cruises connect guests to the cultural heart of the region through exclusive experiences ashore and aboard
- [Costa Rica and the Panama Canal](#): This signature itinerary combines rainforests, wildlife and a daylight transit of the Panama Canal at nearly eye level
- [Southeast Asia](#): Intimate itineraries from Bangkok to Halong Bay highlight a region where Windstar continues to expand its presence
- [Caribbean and Latin America](#): Guests can explore islands and coastlines on sailings that feel like private charters

Windstar’s small size allows yachts to dock in hidden harbors and sail rivers and channels such as the River Thames in London, the Guadalquivir River in Spain to reach central city locations

unreachable by larger ships. Guests often step directly from ship to shore, with more time in port and more freedom to explore.

What Culinary Experience Does Windstar Offer?

As the **official cruise line of the James Beard Foundation**, Windstar highlights destination-inspired cuisine and sustainable culinary practices. James Beard chef-created dishes are featured in Amphora, showcasing authentic regional flavors.
